

Honoring our Senior Partner Michael Poulakos: A Well-Deserved Recognition for His Contributions to the Hellenic Equestrian Federation

It is with great honor and joy that our law firm extends its warm congratulations to our esteemed and valued Senior Partner, Michael Poulakos, who has been awarded by the Hellenic Equestrian Federation for his significant contribution to the sport. Michael served as a member of the Federation's board for three terms and was, in fact, one of the key individuals who signed the Federation's statute, in his capacity as President of the Ekali Equestrian Club, a title he still holds today.

Our law firm would like once again to offer its heartfelt congratulations to Michael for this well-deserved award, which was granted to him due to his genuine passion and dedication to the sport and we wish him all the best in his future endeavors.
